Oceanview Publishing. Paperback. Book Condition: new. BRAND NEW, Rupture: An Eli Branch Thriller, A. Scott Pearson, Well on his way to realising his dream of becoming a successful surgeon-scientist, Eli Branch seems destined for academic stardom. After years of research, Eli is on the cusp of a groundbreaking discovery that could light the way for the future. But, as Eli will soon learn, today's medicine has a dark side. While investigating the suspicious death of one of his patients, Eli uncovers an elaborate web of lies spun by his late father, a long-time professor of anatomy at Mid-South Medical College in Memphis. Instead of finding answers, Eli only finds more questions-and more victims, each meeting a sudden, violent end. Eli joins forensic pathologist Meg Daily to find a common thread among the victims. As they piece together the chilling puzzle, Eli and Meg plunge headfirst into the world of deadly medicine-a world way too close to home. Trapped in the paradox of ending one life to save another, Eli and Meg find that in this life-or-death race against time, one false step could be fatal.
