The ballet friends have been working super hard to become triple threats. They've been practicing their ballet dancing, as well as singing and acting, and their hard work paid off when they got to dance on Broadway. But there's another group of girls in school who say they can dance, sing, and act - and they call themselves the Triple Threats. But there's a problem, there are only two girls in the Triple Threats. They need a third girl - and they want little ballerina Lexi, one of the ballet friends. Can Lexi be tricked into joining their new dance team? And what happens when the two groups have a dance-off at the school Halloween dance? One thing is for sure, ballet is the glue that keeps the friendship together. Reading level: ages 8 to 12.
