FBC LTD, 2018. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Gleaner, Vol. 3: April, 1914 The earth robes herself with a vivid mantle of green, as if by the art of a wondrous magician. We live in an enchanted medium. The balmy breezes heal, amend and soften. Nature - the trees, the waters, the hills, the skies - awaken the soul and inspire the affections. Everything becomes permeated with the spirit of life, action and enjoyment. Unconsciously we become animated and gay. Unwittingly we submit to the charms of spring. The pulse quickens, blood circulates more freely, the heart dilates and accelerates. Induracy itself is no proof against the mysterious influence of spring. A feeling bordering close on inspiration finds its way even into the bosom of the sad and perverted. So powerful is the appeal of spring, so strong and gripping its influence, so vital and illimitable its interest that it cannot fail to strike a sensitive chord in the human breast. It spares neither the arrogant leaders nor the submissive herd. The atmosphere itself seems to be laden with the great universal secret - life. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
