The Selected Works of George J. Benston, Volume 1: Banking and Financial Services (Hardback)

By -

Oxford University Press Inc, United States, 2010. Hardback. Condition: New. Language: English . Brand New Book. George J. Benston, professor of Finance, Accounting, and Economics at Emory University's Goizueta Business School, died unexpectedly in January 2008. He was an impassioned advocate for corporate integrity and a unique scholar; his research interests were as broad as those of any recent academician. His colleagues have selected and organized his most important papers into two volumes. This first volume consists of his research in the banking and financial services industry. The editor has selected a broad range of papers from each of the major areas that are representative of Benston's work in that particular field. James D. Rosenfeld, Professor of Finance, Accounting, and Economics, Goizueta Business School, Emory University, serves as the editor and is assisted by an editorial advisory board including George Kaufman, Greg Waymire, Bob Eisenbeis, Larry Wall, Rashad Abdel-Kalik, and Lemma Senbet.

Reviews

Simply no words and phrases to clarify. It really is full of knowledge and wisdom You wont feel monotony at at any moment of the time (that's what catalogs are for relating to when you question me).

-- **Paolo Spinka**

The best pdf i possibly go through. it was writtern quite properly and useful. Once you begin to read the book, it is extremely difficult to leave it before concluding.
