Put It in Writing, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The attraction between Marcus and Natalie was evident from the moment they locked eyes. He was a handsome successful business man who prided himself on being able to close any deal. except the one that could get the woman he wanted to marry to stay. In search of a distraction from his broken heart, Natalie, the demur secretary with the bangin body, and no sliver of a man in sight, seemed like the perfect choice. Sparks fly and earth-shattering sex erupts. But what was supposed to be a simple sex only arrangement gets very complicated when Natalie makes a discovery that sends them on an emotional journey that will leave them connected to one another for many years to come. This entertaining thought-provoking novella expertly illustrates what can happen when you allow lust to determine your direction. There could be life-altering consequences and repercussions and you just may find yourself asking the question, Where do we go from here?.
