It's good to be good! It's cool to be kind, and kindness and compassion should be celebrated! Compassionate Fairy Tales is a fabulous way to teach compassionate communication to all children using Fairy Tales. In this collection of tales, Lois Einhorn teaches real life experiences that children can relate to, such as how to cultivate friendships, play with everyone, accept each other's differences, and solve problems in a kind and constructive way. Compassionate Fairy Tales could be used in all elementary schools as a way to teach lessons on compassion, good moral character, friendships, anti-bullying techniques, and how to stand up for what is right. Mother Einhorn is so insightful to adapt these timeless stories and make the characters positive. These fairy tales give a whole new meaning to happily ever after. - Elizabeth Scott, Author of Raindrops on Roman.
