IT TOOK A BEAR TO MAKE A CHANGE (PAPERBACK)

Xlibris, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. There are children that need so many gifts. This is but one. I have many more to offer. It is a great gift for a child to be involved in something special. It means so much to them when they are a part of their family's lives. In my book, I want to encourage every child to know they have the ability to change difficult situations. This story is about a grumpy bear and his walk through life pursuing what he thought was fun and not having any need for anyone else. He learns that all he needs is someone that cares. This story is not a sanctuary for all but is a stepping stone in the right direction. Through this story, I want to give others the idea that it is okay to change or be different and that your greatest friend may be yourself.
