Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Listening is the greatest skill one can possess. People like to be around others that listen to their problems because they feel disconnected when the chatter is going on in their own head if they are alone. As humans we are tested continuously with loss which in turn makes us question our existence. This like everything else in life is neither good or bad because these words represent a false position that does not exist. All aspects of the ego are an illusion that prevent one from experiencing love, joy and peace of mind. It has many tricks that make you believe you need when the fact of the matter is the opposite. This is because you created it and then it took over. Reclaim your true nature today!.
