Infinity (Paperback)

By Jus Accardo

Entangled Publishing, LLC, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book. Two families. One Device. Infinite possibilities. Being the daughter of an army general isn't easy. Someone's always watching, and dating? Not a chance when any guy that gets within ten miles has to undergo a background check. But, on the bright side, seventeen year old Kori Anderson finally has her freedom. For the first time in her life, she's living off base. Unfortunately, when she's caught vandalizing public property, that all changes. With her father called to Washington, supervision is arranged in the form of two subordinates. There's Cade, as beautiful as he is deadly, he watches her with hungry eyes, and Noah, hauntingly familiar, glares at her in disgust. When they save her from a seemingly random attack, Kori's world turns upside down. Kori's father heads the Infinity Division, a secret government project responsible for inventing a device that allows travel between parallel Earths. When a man seeking revenge-a twisted individual who feels wronged by her father-declares war on Infinity, Kori ends up in a deadly crossfire.
