Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from School Health Supervision in Minneapolis, Minn This latter board comprises seven members - two members of the city council and the mayor, who serve as exofficio members, and four other members who are appointed by the mayor with the approval of the city council. The authority to maintain health supervision over the public schools is vested in the board of education and is exercised by the department of hygiene. The public health administration of the city is under the division of public health of the board of public welfare. Coordination of Functions. In May, 1920, the board of education, with the approval of the board of public welfare, designated the commissioner of public health to act also as director of the department of hygiene of the board of education and transferred to the account of the board of public welfare funds in the amount of the salary formerly paid the director of hygiene. This action by the board of education was a distinctly progressive step, both from the standpoint of economy and efficiency, and is in accord with the present tendency of governmental agencies to harmonize the work of the various boards and bureaus which have nearly identical functions. The coordination of the health work in the schools with the work of the city department of health extends, at present, only to the employment of a common director, and does not permit of the interchangeable utilization of the services of the personnel of the department of hygiene and the division of public health in school health work and general public health work. School Buildings and School Population. The board of education operates 84 public schools,...
