SURVIVING AMONG STRANGERS: STRANGERS SURVIVAL STRATEGIES (PAPERBACK)

Author Solutions Inc, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.There is an inevitable running battle between natives and strangers that several cases in the Holy Scriptures lend credence to. The perennial politics and hiccups of managing migration by nations have spurred this discourse that all and sundry should be knowledgeable about. Herein is useful information for border agencies, migrants, their relatives, and even parents who are based back home. It would assist counselors to help potential migrants across the globe. The role of God in the unending conflict between nation s migrant managers and migrants is highlighted here. Parents should read to help them guide their children about issues that are bound to arise as a result of living in a foreign land.
