21st Century: Woman with the Issue of Blood

By Aprelle Mitchell-Smith

Xulon Press, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Aprelle Mitchell-Smith was like most young girls in her childhood until she entered the fifth grade and started puberty. Besides starting her period, she saw her skin tone and texture change from normal to a dark, velvety texture. This was accompanied with unsettling moles all over her body in the most intimate places, and disfigurement in her body shape. From frequent clothes changes due to over bleeding; to wearing diapers, adult-dependents and a half dozen sanitary napkins, all Aprelle could ask was why would a loving God have a young woman deal with such disheartening medical conditions? In her autobiography, 21st Century: Woman With the Issue of Blood, Aprelle gives glimpses of her grapples with health conditions: Acanthosis Nigricans, Polycystic Ovarian Syndrome and a sixteen-year battle with continuous menstrual cycles. Taking you from her childhood to adult age, she bares all as she details how this Issue of Blood affected her career, sex-life, and self-confidence. 21st Century: Woman With the Issue of Blood is an eye-opening experience, leaving you feeling hopeful and encouraged as you laugh and...

Reviews

Very useful to all group of folks. This really is for all who statte there was not a worthy of reading. I am very happy to explain how this is the best pdf i have study inside my personal life and can be he greatest book for actually.

-- **Marcelle Homenick**

These kinds of book is every thing and helped me hunting forward plus more. It is probably the most remarkable book we have read through. It is extremely difficult to leave it before concluding, once you begin to read the book.
