BALAMAR: A NOVEL

BookBaby. Paperback. Condition: New. 296 pages. On the fringe of the Milky Way, a great sun anchors fifteen planets on varying orbits. All but the fifth planet are lifeless and have few distinguishable characteristics. The fifth planet, however, stands forth among all others as a sparkling jewel lying upon the black velvet inter-space of the universe. Hues of blues, shades of green and brown are painted across the equatorial belt, while wisps of white and gray clouds wind and feather...
