Excerpt from Cook s Grand Excursion to California: Visiting the Rocky Mountains in Colorado, Salt Lake City, the Yosemite Valley, and the Yellowstone Park Summer, it is well known, is the favorable time for making such a journey, as this is the dry season in California, and the weather is so uniformly pleasant that it is not necessary to make any provision against rain or to consider the possibility of a day of sight seeing being interrupted. There is no more salubrious or agreeable climate in the world than that of California, and the mean Summer temperature is only ten degrees warmer than that of Winter.
