Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Descriptive Catalogue of Grape Vines and Small Fruits: Spring of 1886 Wyoming Red is to our taste an excellent grape when first ripe, When fully ripe like Martha, it becomes foxy. We find it a very profitable variety for market as it sold as well as Brighton in Philadelphia the past summer. The vine is healthy. We do not wish our readers to think we want to boom this grape as such is not the case, for our stock of it is not very large and what we have are one year vines. All of our two year vines were sold to parties who saw it fruiting. Early Victor with us does very well, some persons complain of it being a poor grower and bearer, and it is a question in our mind whether they have the genuine, as ours makes a very rank growth and is an abundant bearer; bunch is not so very large but of fair size, quality good, ripens before Concord.
