Ecotourism Economics and Environment

By Biju Abraham

eBooks2go. Paperback. Condition: New. 256 pages. Dimensions: 9.0in. x 6.0in. x 0.6in. In recent years, there is an increasing awareness on the need to sustain the environment and to protect it from the various damages caused by human activities including tourism. Ecotourism is viewed as a panacea to protect the environment from the negative impact of mass tourism and is considered as a sustainable option to bring employment, income and livelihood opportunities for host communities. This book Ecotourism, Economics and Environment is a compilation of research papers analyzing the economic, social, cultural and environmental impact of tourism in India. The papers focus on the positive effect ecotourism can bring about in making tourism development environmental friendly and sustainable. In general the essays included in this book covers the theoretical aspects related to ecotourism, with a stress on practical issues from a developing countries standpoint and case studies that highlight the stumbling blocks for migration from mass tourism to ecotourism in a developing nation. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
