INTERNET COMMUNICATION AND QUALITATIVE RESEARCH: A HANDBOOK FOR RESEARCHING ONLINE (HARDBACK)

SAGE Publications Inc, United States, 2000. Hardback. Condition: New. Language: English . Brand New Book. `Internet Communication and Qualitative Research is a trailblazing introduction to data sources that will come to the fore in the new millennium. Its cogent discussion of the techniques, ethics and methods of analysis of Internet data should be read by every qualitative researcher - David Silverman, Goldsmiths College `The internet is exploding with possibilities for conducting social research. Mann and Stewart offer the first in-depth consideration of the prospects and potentials for doing qualitative research on-line. This wide ranging, clearly-written book is essential reading for researchers working at the cutting edge of qualitative methodology - James A. Holstein, Marquette University `This is e-scholarship. The book is a transformative project which brings the best skills of the old print scholarship to the cyberworld. The authors are no mere theoreticians - but hands-on net-users, who have made the imaginative leap to the world, and who have mapped the way for net research and researchers. The authors are pioneers in the realm of digit-crit - opening the way with their critical evaluation of the digital media and net research. They profile the skills required by the online researcher and evaluate the context in which they are used - in relation to privacy, security, ethics and legal considerations. They also take up issues of power; they explore the social and political implications of the digital media, (with specific reference to gender) and the role of the online researcher. An absolute must for cybercitizens and an indispensable guide for students, researchers, and knowledge workers in the world - Dale Spender `Mann and Stewart have prized open the mysteries of on-line qualitative research. For those new to this methodology the technology review demystifies; the social science research ethics issues are re-addressed...
