Forgotten Books. Paperback. Condition: New. 710 pages. Dimensions: 9.0in. x 5.9in. x 1.9in. For many years after the death of my husband the shadow over my life was so deep, and all that concerned him was so sacred, that I could not consent to lift the veil to the public gaze. But time softens, if it does not heal, the bitterest sorrow; and the pleadings of his only child, after reaching womanhood, finally prevailed upon me to write out for her and her children my memories of the father she had never known on earth. She was my inspiration, encouraging me, and delighting in every page that was written; but the work was not more than half completed when God took her to be with him whose memory she cherished with a reverence and devotion which became more intense with the development of her own pure and noble character. After her departure, which was truly sorrows crown of sorrows, I had no heart to continue the work; but, remembering how earnestly she wished me to write it for her and her children, I renewed the effort to finish it, for the sake of the precious little ones she left.
