Excellent electronic book and helpful one. Better then never, though i am quite late in start reading this one. You wont truly feel monotony at whenever you want of your time (that's what catalogues are for relating to when you question me).

Transworld Publishers Ltd. Paperback. Book Condition: new. BRAND NEW, Swan Song, Robert Edric, Hull, autumn 2005 and private investigator Leo Rivers, finds himself at the overheated heart of an inquiry into the savage killing of several young women. Approached by the mother of the chief suspect, he soon discovers not only that this suspect is not involved in the killings, but that several hitherto unconsidered and scarcely credible connections link the murders to a single perpetrator. In pursuing his case, Rivers has to contend with an ambitious, career-minded Chief of Police, who will stop at nothing to make a name for himself, sacrificing not only Rivers but also his own colleagues along the way. Set against a backdrop of the Humber and the long and violent destruction of Hull's once-cherished fishing industry, Robert Edric reveals a world of exploitation and ambition; a world of old men who burnish their festering grievances and vanities; and a world of long-suppressed but finally uncontainable brutality, in this final volume of a trilogy of outstanding and acclaimed contemporary noir.
