Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Opportunities for the Older Girl in the Extension Program Recent analyses of the older farm girl s problems and how 4-h club work can aid in meeting such problems reveal several ways that may well be considered in building any long-time program for this girl, who is attracting so much attention at the present time in the extension field. Four-h club work as an educational agency has an opportunity to contribute its share as well as to reenforce the work of the school in training in worthy home membership, ethical character, and the wise use of leisure; in fostering democratic ideals; in developing initiative and leadership; in acquiring useful skills; and in developing constructive attitudes toward, and ideals and appreciation of the work of the farm home and community as well as the art of living in general.
