Reviews

These kinds of book is every thing and helped me hunting forward plus more. It is probably the most remarkable book we have read through. It is extremely difficult to leave it before concluding, once you begin to read the book.

ATLANTIC BOOKS, United Kingdom, 2017. Paperback. Condition: New. Main. Language: English . Brand New Book. Jean Fullerton, queen of the East End saga, returns with a charming new war-time series. It's 1939, and the Brogan family of London's East End are ready to show Hitler what for. But things don't seem so rosy when rationing, evacuation and air-raids start to put this larger-than-life family to the test. When a mysterious young man arrives at the Brogans' local parish church, he provides just the dazzling distraction they need - and for eldest daughter Mattie, the promise of more than she'd ever wished for. But as the pair fall deeper in love, they are drawn into secret dangers, rife on the very London streets they call home. As the young couple race to protect the East End as they know it, can their dreams survive the darkening backdrop of war-time.?
