XLIBRIS. Paperback. Condition: New. 206 pages. Dimensions: 9.0in. x 6.0in. x 0.5in. Even before man discovered knowledge about the universe, the tribal days have given us the answers that there is really a God, a Supreme deity that mankind cannot live without. Tribal rituals and beliefs were sexual in nature. Perhaps this is so because their own sexuality caused them so much confusion thus a great mystery to them and only a Supreme Being, they believed, could provide them the answers. We too have in our minds all sorts of questions regarding our sexuality. Why is it so compelling? Why even the old and the aged still crave for this? What has sex got to do with our final destiny which is heaven? Why even the religious people get in trouble with this? Why do we sometime say our sexual experience is heavenly? These and many other questions about our sexuality need to have some answers or we would be subjecting ourselves to the desires and urges of our own physical body which sometimes go beyond our control. This book attempts to find the answers to all these questions as the author chronicles her quests starting from childhood curiosity to old age. Walk with her on every page to find for yourself if these questions did indeed find the answers regarding the mysteries of our sexuality. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
