

The Great War: Breakthroughs

Filesize: 7.51 MB

Reviews

It is one of the most popular publications. It is actually written in easy words instead of confusing. You will like how the author created this book.

(Art Gislason)

THE GREAT WAR: BREAKTHROUGHS

Westminster, Maryland, U.S.A.: Del Rey, 2000. Hardcover. Book Condition: New. Dust Jacket Condition: New. 1st Edition. Book Description Is it the war to end all wars--or war without end? What began as a conflict in Europe, when Germany unleashed a lightning assault on its enemies, soon spreads to North America, as a long-simmering hatred between two independent nations explodes. Twice in fifty years the Confederate States of America had humiliated their northern neighbor. Now revenge may at last be at hand. Under the leadership of Teddy Roosevelt, and following a general named Custer--military genius or madman?--the United States are fighting a war on two fronts in 1917. In the north, from the Pacific to Quebec, U.S. forces in the air and on land are locked in battle against Canada and Great Britain. To the south, at the heart of a line that stretches from the Gulf of California to the Atlantic, Custer intends to do what none of his predecessors had ever managed: to smash through the Confederate barbed wire entrenchments in Tennessee. Into this vast, seething cauldron plunges a new generation of weaponry--submarines, barrels, attack planes, poison gas, and flame throwers--changing the shape of war and the balance of power. While the Confederate States are distracted by an insurgency of African Americans with a dream of establishing their own socialist republic, the United States are free to bring their military and industrial might directly to bear--and to unleash the most horrific armored assault the world has ever seen. Here are leather-jacketed daredevil pilots flying unproved fighters into anti-aircraft fire. Here is a melee on the sea, as U.S. sailors duel Confederate submariners, while the English, French, and Japanese surface navies vie for control of the shipping lanes. In Harry Turtledove's incredibly imagined alternate history, the Great War is played...
