Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The Woggle-Bug Book features the broad ethnic humor that was accepted and popular in its era, and which Baum employed in various works. The Woggle-Bug, who favors flashy clothes with bright colors (he dresses in gorgeous reds and yellows and blues and greens and carries a pink handkerchief), falls in love with a gaudy Wagnerian plaid dress that he sees on a mannequin in a department store window. Being a woggle bug, he has trouble differentiating between the dress and its wearers, wax or human. The dress is on sale for \$7.93 (GREATLY REDUCED reads the tag). The Bug works for two days as a ditchdigger (he earns double pay since he digs with four hands) for money to buy the dress. He arrives too late, though; the dress has been sold, and makes its way through the second-hand market. The Bug pursues his love through the town, ineptly courting the women (Irish, Swedish, and African-American, plus one Chinese man) who have the dress in turn. His pursuit eventually leads to an accidental balloon flight to Africa. There, menacing Arabs want to kill the Woggle-Bug, but he convinces them that his death would bring bad luck. In the jungle he falls in with the talking animals that are the hallmark of Baum s imaginative world.
