Brand New Book ***** Print on Demand *****.Family Plots is a fresh and funny autobiographical novel about a young mother trying against all odds to create a normal family life with her new husband, a criminal attorney, who it turns out is committing a few crimes of his own. The novel offers readers a wry, unsentimental account of a marriage barreling toward calamity. In an attempt to find romance, family, and financial stability, its struggling heroine stumbles into a world of pseudonyms, fake weddings, and hidden bank accounts.
