Reviews

Certainly, this is the greatest work by any author. It can be written in easy words and phrases rather than confusing. I am just happy to let you know that this is actually the greatest ebook we have studied inside my individual daily life and may be the greatest ebook for at any time.

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. A child without parents is an orphan. The death of a spouse leaves behind a widow or widower. But what do you call a parent who loses a child? That loss is so unthinkable, we have left it unnamed. October 15th may have no significance for most people, but some know it as the day of Pregnancy and Infant Loss Remembrance. This book tells the true story of one family s journey of love, loss, and the strength to build a family against all odds.
