Introduction to Basic Supply Demand Trading for Beginners (Paperback)

By Joe Okane

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. To be a successful self-directed market speculator and investor you must be equipped with the proper tools and information from the start of your trading and investing business. Price action and the use of supply and demand principles to make trading and investment decisions are those tools. You don't need to care where the price is going to be ten years from now; you need to know about where price is right now. You don't need any of the latest fad trading systems that the gurus are touting. All you need are the time tested principles of supply and demand. Combine that with the price action of your chosen instrument and you have all the edge you need over your competition. Supply and demand is not rocket science and no one owns it, or has a patent on it and anyone can learn it. It is a simple market principle that has been in existence since there was a market. It will always be the same principle till there is no more market which will be the...
