Neuware - Seminar paper from the year 2011 in the subject Geography / Earth Science - Regional Geography, printed single-sided, grade: 1,0, University of Cologne (Geographisches Institut), course: Oberseminar Socio-economic developments in Myanmar, language: English, abstract: IntroductionModern-day Republic of the Union of Myanmar, formerly known as Burma, is shaped by its geographical idiosyncrasies and its history. Both factors are blended into the socio-economic developments of the country which are addressed in this paper. The focus here lies on the pre-colonial and colonial times. The names Burma and Myanmar are used equivalent and without political implications.To approximate an assessment of those two phases, it is necessary start with a short introduction to the crucial geographic and historical factors affecting the social-economic developments until 1948, the year of Myanmar's independence. The definition of the term socio-economic developments is allocated here as well. Subsequently a short overview on the most important periods of Myanmar's history is added. The following detailed description of history and socio-economic conditions and developments of three distinct periods, the Pyu city states, the Konbaung...
