Reviews

This ebook is great. I am quite late in start reading this one, but better then never. I am just easily will get a satisfaction of reading through a composed pdf.
(Brendan Doyle)

PERSON, KLASSE, KONGRUENZ. VOL. 1/2

LINCOM, 1998. Softcover. Condition: Neu. Dust Jacket Condition: Gut. 1. Auflage. This series is devoted to the study of the basic morphosyntactic and morphosemantic features used in the about thirty East Caucasian languages to construe "simple sentences". The approach proposed here is derived from the theories of Cognitive and Functional Grammar and substantiated in terms of a "Grammar of Scenes and Scenarios" (GSS). This approach derives grammatical categories that are obligatory to produce an utterance both from their cognitive, functional, and communicative background as well as from the evidence given by language typology. The PKK series tries to analyze the grammar of all East Caucasian languages with respect to the prerogatives of GSS. The aim is to give an overall view of the operating systems dominating these languages as well as their assumed proto-language ("Proto-East Caucasian"). Consequently, the following aspects are treated volume by volume: Vol. 1.: Foundations of GSS and the East Caucasian (linguistic) area, vol. 2: The Person, vol. 3: Noun Classification, vol. 4: Case systems, vol. 5: Scenes and scenarios, vol. 6: Space and time, vol. 7: Modalization. In a more traditional mood, these volumes can be regarded as a contribution to a comparative syntax of East Caucasian. Vol. 1: Die Grundlagen. Teil 1&2 This first volume of the PKK series presents the theoretical prerogatives for a "Grammar of Scenes and Scenarios" (GSS) together with informations about the East Caucasian languages to which GSS is applied. GSS is a tool to describe and interpret "simple sentences" presupposing theories of holistic cognitivism, pragmatism, and connectionism. After some reflections about the state of the arts of cognitive and functional linguistics the basic concepts of a Categorical Typology as well as their reflexes in a GSS are subsequently introduced: Reviewing the problem of the cognitive reality of grammatical categories and...
