

The History of the Siege of Lisbon

Filesize: 7.75 MB

Reviews

It is really an remarkable book i have at any time study. It is rally intriguing throgh reading through time. Your life period will likely be change when you complete looking at this pdf.
(Alyce Lemke)

THE HISTORY OF THE SIEGE OF LISBON

Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. If proofreaders were given their freedom and did not have their hands and feet tied by a mass of prohibitions more binding than the penal code, they would soon transform the face of the world, establish the kingdom of universal happiness, giving drink to the thirsty, food to the famished, peace to those who live in turmoil, joy to the sorrowful. for they would be able to do all these things simply by changing the words. The power of the word is evident in Portuguese author Jose Saramago s novel, The History of the Siege of Lisbon. His protagonist, a proofreader named Raimundo Silva, adds a key word to a history of Portugal and thus rewrites not only the past, but also his own life. Brilliantly translated from the Portuguese by Giovanni Pontiero, The History of the Siege of Lisbon is a meditation on the differences between historiography, historical fiction, and stories inserted into history. The novel is really two stories in one: the reimagined history of the 1147 siege of Lisbon that Raimundo feels compelled to write and the story of Raimundo s life, including his unexpected love affair with the editor, Maria Sara. In Saramago s masterful hands, the strands of this complex tale weave together to create a satisfying whole.
